During the week we had sufficient rainfall and the twin rivers the Tunga and Bhadra were in fully floods This timely rains removed the anxiety of the ryots to some extent.

3565 anonymous complt. agt. D.C Shimoga re distribution of Rice katmage. 26-8-20

Our Deputy Commissioner has gone on tour to Kallurkatte and other places and will be returneng on or about the 21st instant. During the regine no pains are being spared to introduce as many Smarthas as possible in the office. The previous Judicial Head Munshi had to make room for a casteman of the Deputy Commissioner. Though this person had served more than 20 years in the District and was transferred on the score of some complaint against him he was again brought in from Chikkangalore.

All the Office arrangments and appointments are left with the casteman Head clerk whose services were willingly spared by Bangalore Deputy Commissioner The Revenue Sheristedar has nothing to do but to toss paper and he has an easy time of it expecting only for better days. All the places of the Heads of Departments are now occupied by Smarthas who in turn are introducing their own men. They are related to each other.

Men who have served for long periods have been denied a promotion simply because they are told they had no special aptitude for the work. Others who belonged to the favoured cried are given promotions by hook and bounds simply because they belong to a particular creed or are the relations of some influential persons either in the Secretariat or in the Head-Quarters. The case of A. Hiriannaiya & Lakshminarayana Rao may be specially mentioned in this connection though they are not fully qualified to occupy the posts they are now appointed to hold. In the arrangement made for the latter appointment half a dozen Ayers and Sastries are given promotions

promotions and other persons more deserving and put in longer service here left in the back ground simply on the plea of lack of Special Aptitude. This has caused much heart burning among other officials concerned. A fair trial would have convenienced that the men thus regected are far better than those they havebeen introduced on grounds of favouritism.

We hope that our generous Deputy Commissioner who is an educated gentleman of varied and treed experience will consider the grievances of his voiceless subordinates who look and his Officers as mah-bap and treat all subordinates of whatever creed impartially

Bangalore 7th October 1920.

Dear Sir,

I herewith return, after perusal, the anonymous complaint received with your D.O. No.478/C.B. dated 4th October 1920. I may say that I ~~had~~ received a copy of it myself and ~~was making~~ made enquiries about it when I was at Shimoga last month. I was given to understand by the Deputy Commissioner that it was due to the mischief of some discontented official in the office. I do not think that the allegations in the petition are worth any notice.

Yours sincerely,

C.S. Balasundaram Iyer Esq., B.A.,

Chief Secretary to Government.
